Are your energy bills too high?

Are your energy bills piling up? Do you find yourself wondering how you're going to pay all of your bills and buy groceries? Are you keeping your home at an uncomfortable temperature? If you would like to learn more about how to reduce your monthly energy bills, come join us at this **FREE** Energy Equity Forum.

How can you lower your energy bills and strengthen your community?

At the forum, you will learn about the following:

- Practical changes you can make at home as well as programs you can participate in to lower your energy and water bills.
- Energy saving options, like energy efficiency, water efficiency, and solar, that have the potential to both reduce your energy bills and bring exciting new job opportunities to your community.
- And more!
